

53rd Congress of the Italian

Paper Industry

Pescia | 19 / 20 May

2022

The call of papers for the Aticelca's Pulp and Paper Industry Congress 2022 has started.

The congress will address the theme of improving the efficiency of the processes by innovative technologies, digitization and new applications. Like every year, particular attention will be given to the themes of energy, circular economy and environmental sustainability. At the end of the congress a visit to a production plant in the nearby will be scheduled.

The speaker registration fee for suppliers of paper industry is 1750,00 euro + VAT. The fee covers the presentation, the speaker participation in all congress events and the free admittance of one of your guests working for an Italian paper mill.

Send the paper proposal with a title, a short abstract (up to 300 words), the name of the speaker and his short CV to Aticelca Secretariat (segreteria@aticelca.it) not later than January 31th, 2022.
